

Cedral Click

The CEDRAL CLICK system incorporates tongue and groove boards with secret fix clips to give a modern flush finish.

Available Colours

C01  White	C02  Beige
C03  Grey Brown	C05  Grey
C07  Cream White	C15  Dark Grey
C18  Slate Grey	C50  Black
C51  Silver Grey	C54  Pewter

Dimensions

Length - 3600mm

Width - 186mm

Thickness - 12mm

Weight - 12.2kg each

Calculations

1.64 boards per M²

It is advisable to add 5-10% wastage allowance and add extra boards for window reveals depending on reveal depth

Products & Prices

Colour/Finish	Price
Standard Painted (7 available) EW1WB-C**	£20.72 +vat each

Trims

Colour matched aluminium trims are supplied in 3m lengths and are installed prior to the boards

Click External Corner -

EC1EC-C** £22.01 +vat per 3m length

Use vertically on external corners where cladding is being installed either side of the corner.

Click Internal Corner -

EC1IC-C** £18.69 +vat per 3m length

Use vertically on internal corners where cladding is being installed either side of the corner.

Start Profile - EC1SP

£29.50 +vat per 3m length

Use to start off the first run of cladding with the Click plank sitting on the ledge of the start profile.

Lintel Profile - EC1LP-C01

£22.07 +vat per 3m length

Use horizontally above window and door heads to protect the edge of the board whilst hiding the tongue and groove detail

Connection Profile - EW1CP15-C**

£17.14 +vat per 3m length

Use to wrap around the edge of a single piece either on a window/door reveal, to form a sop end or along the soffit line.
