

Cedral Lap

The **CEDRAL LAP** system gives the appearance of traditional timber weatherboard whilst providing all the advantages of fibre cement. 21 standard painted finishes, 2 woodstain finishes and an unpainted board are all available from Southern Sheeting's stock.

Dimensions

Length - 3600mm

Width - 190mm

Thickness - 10mm

Weight - 11.2kg each

Calculations

1.75 boards per M²

It is advisable to add 5-10% wastage allowance and add extra boards for window reveals depending on reveal depth

Options & Prices

Colour/Finish	Price
Standard Painted (21 available) EW1WB-C**	From £14.24 + vat each
Woodstain Finish (2 available) EW1WB-CL1**	From £21.38 + vat each
Unpainted EW1WB-C00	From £14.40 + vat each

Trims

Colour matched aluminium trims are supplied in 3m lengths and are installed prior to the boards

Symmetric Corner -

EW1ECSWY31-C** £29.87 +vat per 3m length

Use on vertical corners where lapped boards are being installed on either side of the corner.

Asymmetric Corner -

EW1ECASY31-C** £26.09 +vat per 3m length

Use on right and left vertical of windows and doors allowing for lapped boards on face side of building and single board laid flat around the reveal of window or door.

Start Profile -

EW1SP30-C** £18.03 +vat per 3m length

Use to kick the board out along the first bottom run of cladding and also above any windows or doors.

End Profile -

EW1EP26-C** £20.07 +vat per 3m length

Use vertically at the end of a cladding run to butt the boards against, protecting the weatherboard and giving a straight edge framing to clad area.

Trims

Colour matched aluminium trims are supplied in 3m lengths and are installed prior to the boards

Connection Profile -

EW1CP15-C** £17.14 +vat per 3m length

Use to wrap around the edge of a single piece of weatherboard, usually on a window/door reveal or along the soffit line.

Internal Corner -

EW1IC25-C** £22.99 +vat per 3m length

Use vertically at internal corners where lapped boards are installed either side of corner.

Joint profiles to show a clear dividing line between two terraced properties, **Bay window profiles** for 135 degree external corners and **End profile 65** to cover 38mm battens are also available to order - please ask for more information

Accessory Items

Perforated Batten Closure - 2.5m lengths

Use to cap off battens to avoid pest infestation between the void without blocking air flow.

30mm x 40mm EW1IM40 = £8.69 +vat each

30mm x 50mm EW1IM50 = £9.04 +vat each

30mm x 70mm EW1IM70 = £10.93 +vat each

30mm x 100mm EW1IM100 = £15.08 +vat each
